

# BUSINESS MISSION TO BEIJING, CHINA INTERNATIONAL AUTO PARTS EXPO

24 ~ 28 September 2010 | Beijing | China

## THE MISSION

Association of Small and Medium Enterprises (ASME) and China International Auto Parts Expo Secretariat, with the support of IE Singapore, is organising a Business Mission to China Beijing from 24 to 28 September 2010, in conjunction with the visit to the 4<sup>th</sup> China International Auto Parts Expo (CIAPE). The main purpose of the mission is to explore China's many business opportunities in the automotive industries for Singapore companies.

Briefings by local government officials, business networking and matching sessions, site visits to local companies and other business programmes will be specially arranged for you.

## THE 4<sup>th</sup> CIAPE

To promote communication and cooperation in the international automotive industry as well as to strengthen self-innovation abilities of automobile and auto parts enterprises and to upgrade their international competitiveness, Ministry of Commerce of P.R. China decided to hold the China International Auto Parts Expo annually.

Facing the global financial crisis, the Chinese government released the new stimulus package for automotive readjustment and advancement with the following eight measures: cultivating auto consuming market, promoting auto industry reshuffle, supporting self innovation and technical improvement, conducting new energy strategy, backing up domestic brand, carrying out the strategy of auto products export and developing modern auto services..

As an important platform for the communication and cooperation in the international automotive industry, CIAPE will promote China's auto parts industry to participate in global competition and cooperation and optimise the supply chains. This will play a positive role in the development of the world's automotive industry.

## FINANCIAL ASSISTANCE
